Cue CRC Report

Hi All,

We had another busy month here at the Cue CRC in May!

On Friday, May 10th, we hosted the Seniors Morning Tea for the Shire of Cue, with an attendance of between 15 to 20 people. It was a wonderful turnout!

We also held Australia's Biggest Morning Tea, where we raised over \$1,300. Great job, Cue! Every year, it amazes me how our small town comes together to raise these much-needed funds, whether through monetary donations, food contributions, or volunteering on the day. Every little bit helps, and we want you all to know how much we appreciate it. Without the support from local businesses and community members, events like this wouldn't be possible. A special thank you to WestGold, Shire of Cue, Cue Roadhouse, and the Queen of the Murchison for their generous donations. We had between 50 and 60 people attend the event.

For Mother's Day, we offered beauty treatments, DIY face masks, and a few drinks and nibbles. Additionally, we had a Craft Workshop where participants created sublimation mugs and money boxes. Our weekly craft group also met regularly, engaging in a range of crafting activities.

The Department of Services visited us on the 29th, along with Horizon Power on the same day.

Looking ahead to June, we have two Craft Workshops planned: glass etching (back due to popular demand) and working with infusible ink sheets, which we will transfer onto ceramic mugs. **PLEASE NOTE:** due to popular demand you need to book your spot for our craft workshops. As I will be away in Canberra at the end of June and going into July, there will be no market day in June.

Thank you all for your continued support and participation!

Julie Humphreys
Manager

PRIVACY

We at the Cue CRC believe in creating a respectful and secure environment for everyone. Part of that commitment is ensuring that we never discuss or disclose other people's private information.

We kindly remind all our community members to uphold these values by keeping any personal details shared with us confidential. Respecting privacy is not just a policy—it's a promise we make to each and every one of you.

Thank you for being a part of our community and for helping us maintain a safe space where trust and confidentiality are paramount.

If you have any concerns or need more information about our privacy practices, feel free to reach out. We're here to support you!

GLASS ETCHING

GRAFFITI WORKSHOP

Sunday
9th June
10:00am
at Cue CRC

Create a personalised glass bottle using etching cream, vinyl stencils and a cutting machine.

Bookings Essential!

Get up to \$500 extra in the bank to lighten the load of education expenses

Count me in.

Commit to saving up to \$50 a month for 10 months and **we'll double it.**

saverplus.org.au
1300 610 355

Save \$500 and ANZ will top up your bank account with another \$500.

Yes, it's true. No catch, no scam.

Just real knowledge and information for real people that's easy to understand... It's just, down-to-earth money talk - and a \$500 incentive to build your savings!

Join Saver Plus and get

Free financial education

Your savings doubled (up to \$500)

What can the \$500 be spent on?

Laptops and tablets

Uniforms and shoes

Vocational education

Lessons and activities

Books and supplies

Camps and excursions

Can I join Saver Plus?

To be eligible, you need to meet these requirements:

Be 18 years or older

Have a current Health Care or Pensioner Concession Card

Have a child in school, starting school next year, or be studying yourself

Have regular income (you or your partner)*

Agree to join in free online financial education workshops

Ready to start saving? Let's talk.

saverplus.org.au | saverplus@bsl.org.au | 1300 610 355

* Most types of income are valid. Speak to your local Saver Plus Savings Coach if you're not sure.

From the CEO

It is great to see a number of old faces back in the Tourist Park with the return of many of our regular visitors as well as people exploring our region for the first time. Welcome to all, we hope you enjoy all Cue has to offer.

The Shire has started opening a number of historic buildings at regular times to allow tourists and travellers the opportunity to see inside these iconic places. The Railway building, Bank building and Masonic Lodge building are now open at regular times for public viewing. Check out the Shire notice boards or visitors centre for opening times.

Works have commenced on the expansion of the Cue townsite dual use pathway network. Funding from the WA Bicycle Network Grants program through the Department of Transport and the Shire of Cue will be utilised to build pathways along Railway Street, Robinson Street and part of Wittenoom Street providing links to the Youth and Community Centre located at the town oval.

The Local Government Extraordinary Election day is Friday 21 June, there are three candidates nominated to fill one vacancy on Council. Local Government Election Voting Papers have been posted out by the WA Electoral Commission. If you are eligible to vote in the Cue electorate and haven't received one, please come into the Shire Administration Office where we can issue a replacement. Also located at the Office is the Ballot Box where you can place your completed Voting Papers.

Over forty people attended Little Red in the Hood who performed at the Shire Hall on Wednesday 22 May 2024. The Shire provided food and drinks and the audience enjoyed a comedy show that taught the children about recycling.

Congratulations to the Community Resource Centre for hosting another great Biggest Morning Tea to raise money for the Cancer Council. It was a fabulous turn out of people and food. Around sixty people attended the event to raise over \$1,300 on the day for cancer research.

Barefoot bowls is on every Wednesday night from 6.30pm to 8.30pm. Everyone is welcome to attend this free event with all equipment provided. It is great to see the numbers growing over the weeks.

Mosquito fogging will be carried out intermittently, when conditions are suitable. This is usually just before dusk but can also include early morning, to control their numbers.

Upcoming events:

- Wednesday of every week - Barefoot Bowls
- Friday 21 June - Seniors Morning Tea (CRC)
- Tuesday 23 July - Romeo and Juliet
- Wednesday 21 August - Gina Williams and Guy House
- September 5 – 7 Murchison Georegion Stargazing event
- Wednesday 18 September - Australian Baroque Vivaldi

Richard Towell

Next Ordinary Council meeting – 6.00pm Tuesday 18 June 2024

Bushfire Training Online

Be prepared!

Jump online and complete the Rural Fire Awareness course.

This course is targeted our farmers and seasonal workers to provide students with a basic awareness of fire ground safety, suppression strategies and maintaining safety when operating on the fire ground.

You do not need to be a registered volunteer with the Shire or DFES to log on and complete the training.

Scan the QR code and follow the prompt. It's easy.

Upon completion of the training, you are required to forward a copy of your certificate to the Shire or Community Emergency Services Officer for recording purpose.

Council News

Hi to all 'Dryblower' readers,

How the time gets away from us all as we head towards the end of another financial year.

There has been a lot of recent Local Government activity both at the Shire of Cue level and at the Western Australian Local Government Association ('WALGA') level.

May 2024 started off with WALGA holding a Zone Chair Induction workshop at its premises in West Leederville. For those readers who are not familiar with the structure of our Local Government system in Western Australia, WALGA represents all 139 Local Governments across the State with the aim of advocating to the State Government on the many issues that confront the sector. The State is broken up into 17 Zones of which represent all Local Governments, of which there are 12 Country Zones and 5 Metropolitan Zones. Each of those Zones represent a number of Local Governments in their respective regions. I have the role of representing the Murchison Country Zone on the State Council of the Western Australian Local Government Association ('WALGA').

The Zone Chair Induction Workshop was held on 30th April 2024. This was about understanding the Governance structure of WALGA and the process by which the various Zones conduct their regional business which filter through to the WALGA Policy Teams and ultimately WALGA State Council the various issues and matters of importance within each of the Local Government regions. If there is significant State and Local Government interest, then an advocacy position is adopted and put to the various levels of State Government.

On 1st May 2024 I attended the WALGA State Council meeting and North Metropolitan Zone Meeting which was held at the City of Wanneroo. During the two days I also attended WALGA's Environment Policy Team Meeting where all WALGA environmental issues are discussed, policies developed and submissions to State Council are prepared and eventually become the basis for an advocacy position to the WA State Government.

Attending the North Metropolitan Zone meeting gives WALGA State Councillors the opportunity to see firsthand what is happening at the Metropolitan Local Government level. The Cities of Wanneroo, Joondalup and Stirling are members of that Zone, and it is interesting to see the progress and development that is taking place in that part of the State. State Councillors are always mindful that both Country and Metropolitan must work together if we are to be successful at promoting the various causes that come across the table.

From a WALGA State Council perspective the meeting received a progress report on the 'Regional Telecommunications Review and Enquiry' which is currently underway and chaired by former WA and Federal Government Minister Alannah MacTiernan.

All regional and peri-urban Local Governments were invited to provide information for a WALGA submission and to make submissions directly. The 2024 Regional Telecommunications Review submission identifies 12 recommendations that respond to the key issues faced by peri-urban, rural and remote Local Governments.

Telecommunications services are of critical importance to Local Governments, enabling delivery of emergency management responsibilities, economic development objectives and

community aspirations for safe, attractive, liveable places. Local Governments in regional, rural and remote Western Australia report that access to telecommunications services is not equitable across Australia in relation to:

- mobile service coverage;
- choice and therefore cost of mobile service provider;
- speed, capacity and cost of internet services; and
- reliability and resilience of mobile and broadband services

We in the regions experience significant mobile coverage issues and it is hoped that this review will improve those services with significant investment from both the State and Federal Governments.

The meeting also endorsed a new Waste Levy Advocacy position around the Waste Avoidance and Resource Recovery Levy (the 'WARR' Levy) which was established in WA to fund programs relating to the management, reduction, reuse, recycling, monitoring or measurement of waste and administering the fund. The current Levy is applied to waste generated, or landfilled, in the Perth metropolitan area.

WALGA is advocating that the Levy should not be applied to licensed landfills outside the metropolitan area. Let us hope that this position is adopted by the WA State Government so as to avoid a further charge to ratepayers which the State Government will expect all Local Governments to collect on their behalf. I will keep you posted on the progress of this discussion.

The meeting also addressed a paper on the House of Representatives Standing Committee on Regional Development, Infrastructure and Transport (The Committee) which announced an inquiry into Local Government sustainability following a referral from the Minister for Infrastructure, Transport, Regional Development and Local Government, the Hon Catherine King MP. The Terms of Reference identified the following areas of focus:

- The financial sustainability and funding of local government
- The changing infrastructure and service delivery obligations of local government
- Any structural impediments to security for local government workers and infrastructure and service delivery
- Trends in the attraction and retention of a skilled workforce in the local government sector, including impacts of labour hire practices.
- The role of the Australian Government in addressing issues raised in relation to the above
- Other relevant issues.

I hope that the Federal Government will take notice of the various issues that impact Local Governments across the country.

On 2nd May 2024 I attended a planning workshop centred on WALGA's current 2020-2025 Strategic Plan which is again due for review. WALGA will be undertaking a strategic planning process over the course of 2024. The new Strategic Plan will guide the Association's strategic direction and priorities for the next five years. As presented at the March 2024 Strategic Forum, State Council will play a pivotal role in this strategic planning process.

The Shire of Cue held its monthly Council Forum on 14th May 2024 which gives Councillors the opportunity to discuss all matters which currently on the Shire agenda and bring to the table other ideas which will improve our town both as a business and tourist destination.

Ratepayers who wish to contribute to the direction our town is taking should make their views known to the local Councillors or the CEO at the Shire Administration office so that consideration can be given to those ideas.

On 21st May 2024 I attended the Biggest Morning Tea which was held at the CRC in the new gazebo. This was a great event and attended by about 50 people from the town and visitors staying at the caravan park.

Australia's Biggest Morning Tea is Cancer Council Australia's most popular fundraising event and the largest, and most successful event of its kind in Australia. This year the Cancer Council is hoping to raise over \$15 million, to fund research, prevention and support services for those affected by cancer.

On 21st May 2024 I attended the Shire of Cue Audit Entrance Meeting. This meeting is held in conjunction with the Shire Auditors and the Office of the Auditor General. It is a precursor to the conduct of the Shire audit and sets about identifying the various matters that will be looked at during the audit process. I am always pleased to receive audit outcomes and readers should be aware that our Shire has an exceptional track record when it comes to audit and financial management. For this we thank the CEO and his finance staff.

Again, on 21st May 2024 I presided over the Monthly Shire Council meeting. Please feel free to access the Shire website to view the Agenda and Minutes that related to that meeting.

As you probably know by now the Shire is about to hold the Extraordinary Council Election for one Councillor vacancy following the resignation of former Cue Primary School headmaster Neil Montgomery in February 2024. The election will be held on 21st June 2024, and I encourage all eligible ratepayers to be part of the voting process. This is your opportunity to elect our 7th Shire Councillor. We have three (3) nominations whose profiles can be viewed on the public notice board at the Shire Office.

These nominees have taken the time to contest the election and ultimately make themselves available to carry our Shire Council duties and we have a responsibility to be part of that process by voting for that person who you will feel will best undertake that role.

On 23rd May 2024 I attended the Cue Rifle Club meeting at the St' John Ambulance Centre. Although not a Council business activity, I felt that it was important to be part of a renewed club which has a long and successful history in our region. Our Association has now been given the green light to reform and it is hoped that our rifle range will be upgraded, and a successful club is once again happening in Cue. It was very pleasing to see that several residents from Mt. Magnet also attended the meeting.

On 27th May 2024 I attended the community baiting racks at Yarraquin Station. This activity is an essential part of the control of wild dogs within our pastoral leases which impact the business enterprises of all pastoralists. It was pleasing to see the CEO attend and meet pastoralists and take the opportunity to discuss matters that affect them.

On 29th May 2024 I attended WALGA's Environment Policy Team Meeting where we considered a policy position for State Council's consideration around the Caravan and Camping Ground Regulations. Tiny Homes on Wheels ('THOW') are an emerging form of housing that offers affordable housing options that would assist in addressing the immediate housing shortage. THOW's are classified as caravans under the *Caravan Parks and Camping Grounds Act 1995* and the *Caravan and Parks and Camping Grounds Regulations 1997*. It is proposed that changes to the Act and the Regulations be made to allow camping on private property for a period greater than three (3) months and allow Local Governments to establish a policy to guide approvals beyond three (3) months.

Please feel free to contact any of your local Councillors to discuss any matters that you would like Council to consider. It is important that we, as Councillors, get to know and understand the direction and pathway you would like out town and Shire to head down.

Shire President
Les Price

1 in 15 Australians are diagnosed with Bowel Cancer every year.

Living a healthy and fulfilling life is important to us all. But ignoring our health and not seeing a doctor if we have unusual symptoms could have a serious impact on our life and wellbeing. It is important to be aware of cancer symptoms and get checked out by a doctor, clinic nurse or Aboriginal health worker if you notice anything unusual.

Bowel cancer is Australia's second biggest cancer killer, and many people don't realise it kills more Australians each year than breast, prostate, or skin cancer.

Common symptoms of bowel cancer may include blood in your poo (even just one time) or, for more than four weeks: a new pain, lump or swelling in your tummy; feeling tired; looking pale; losing weight without trying; and a change in normal bowel habits, such as runny poo, pooing more often or finding it hard to poo.

Almost half of all bowel cancers can be prevented by leading a healthy lifestyle, which includes:

Eating well – a diet high in fibre, fruit, vegetables and low in red and processed meat

Keeping at a healthy weight

Not smoking

Consuming less alcohol

Moving more – be physically active

And of course, participating in the screening program if eligible

Find out how you can protect yourself and your loved ones by learning about the early symptoms of cancer on our website:

www.findcancerearly.com.au/cancer-symptoms/

Your health is worth it.

Gatekeeper Suicide Prevention Workshop

Registration Form

Gatekeeper Suicide Prevention is a two day workshop designed for professionals and para-professionals in the human services whose roles bring them into regular contact with people at risk of suicide. This workshop aims to help participants:

- Gain an understanding of the problem of suicide
- Identify suicide risk
- Provide a framework for risk assessment and intervention
- Develop appropriate intervention skills
- Understand the limits to confidentiality
- Understand the importance of consultation
- Gain an understanding of self-harming behavior
- Gain an understanding of the link between mental disorders and suicidal behaviours
- Understand the importance of postvention

Note: Participants need to be aware that the workshop is intense and demanding. They are encouraged to consider the potential emotional impact (on themselves) before attending.

DATE: Tuesday June 25th + Wednesday June 26th, 2024

TIME: 9.00am-4.00pm (both days)

LOCATION: Lloyd's Plaza Conference Room – 70 Main St, Meekatharra

COST: FREE

CATERING: Morning tea and lunch will be provided on both days

Westgold Apprenticeship Program

Upcoming opportunities

Are you passionate about hands-on work and eager to learn?

Look no further! Westgold is excited to announce our upcoming apprenticeship opportunities. We offer a variety of four-year apprenticeships, including Auto Electrician, Boilermaker, Heavy Diesel Fitter, Electrician and Fixed Plant Fitter. These programs lead to a valuable Certificate III qualification.

Why choose Westgold?

- **Full-Time Employment:** We currently employ 32 apprentices on a full-time basis.
- **Skills Development:** Our apprenticeships provide practical experience and essential skills for a successful career.
- **Education Requirements:** To qualify, students must demonstrate proficiency in numeracy, literacy, and mathematics while in school.

Recruitment Timeline

- **Application Period:** Starting September 2024
- **New Apprenticeship Intake:** January 2025

Don't miss this opportunity to kick-start your career with Westgold!

For more information, visit our website or contact our Community Relations team.

Auraria: Part 6

A fictitious story of a small gold mining town in the Western Australian outback.

A Teacher's Resolve

Sarah Turner, undeterred by the challenges facing Auraria, resolved to rally the town's spirits. With determination burning bright in her eyes, she embarked on a mission to reignite the flame of hope that had once illuminated the dusty streets. Gathering a group of like-minded residents, she organised community events aimed at fostering a sense of togetherness and camaraderie.

Picnics, dances, and town meetings became regular fixtures on Auraria's calendar, drawing residents out of their homes and into the heart of their community. The school, once threatened by dwindling attendance, saw a resurgence as families returned, drawn by the promise of a brighter future for their children.

Sarah's efforts did not go unnoticed. Slowly but surely, the spirit of Auraria began to stir once more. The dusty streets, once empty, now thrummed with activity as residents reconnected with their neighbours and shared stories of days gone by. Main Street, though weathered by time, regained a semblance of its former vitality as merchants reopened their doors and welcomed customers with open arms.

Jack O'Reilly, watching from the sidelines, felt a glimmer of hope stir within his chest. Sarah's unwavering resolve reminded him of the indomitable spirit that had drawn him to Auraria in the first place. As the sun dipped below the horizon, casting long shadows over the revitalized town, Jack knew that Auraria's true wealth lay not in its gold but in the strength of its people.
