CUE CRC

Hi Cue,

And welcome to our tourists. We've had quite a few tourists visit the CRC in April and have surpassed the visitor numbers from April 2022.

In April Department of Transport had a busy day, with three driving tests and several people coming in for various other transport related things.

Unfortunately due to lack of numbers we didn't do our Cricut Workshop in April, but hope to continue in May. If you want to attend bookings are essential as we only have places for about 10 participants per workshop. Places are filling up quickly for the May workshop.

Our Digital Workshops are a new initiative for the CRC, so it's a learning curve for the staff members running the workshops. We were happy with how the April workshops ran, with a couple of participants.

In May so far we have Craft Group starting at 9.00am every Wednesday with a morning tea provided.

We have our Digital Workshops on Thursday 18th and Friday 19th. This is a two day workshop of about 1 to 2 hours each day. If you're interested in attending and possibly learning something new please contact either Sandra or myself at the Cue CRC.

Cricut Craft on Sunday 14th (hope no-one minds that this is Mother's Day?). Contact the CRC to book your spot, there are only a few vacant spots available. This month we're making faux leather earrings.

Department of Transport will be visiting Cue on Monday 15th from 1.00pm to 3.00pm.

2023 Biggest Morning Tea is on Thursday the 25th at 10.00am and we're hoping to raise \$1500 this year! Please come and support us to help raise money for cancer research.

Sunday Markets are on the 28th starting at 9.30am. Stall holders please contact the Cue CRC to book a stall. April's Sunday Markets were well attended and we're hoping for more of the same in May.

We've got a pretty busy month ahead of us at the Cue CRC, I'm hoping to take some annual leave in the middle of all this. MAYBE!

Also don't forget the Cue CRC has its own Gift Cards, a great gift idea for the person that has everything.

Manager

CHC NEWS

The CHC has recently taken delivery of an Electrolux kerosene fridge and a generator with diesel engine.

The Ronaldson Tippet 6.5hp diesel engine was used to power the attached generator. This engine was invented in 1930 in Ballarat to work the gold rushes in Victoria. It is eerily relevant that it was also used during goldmining in Cue in later years.

It is a very rare piece of Australian-made machinery and even more rare to find one in WA, let alone Cue. Many thanks are extended to Westgold for their efforts to collect, store and deliver this machinery to the CHC. A lot of work was carried out by Ray, Jono, Kevin, Bob, Ben and Dylan from Westgold to ensure it arrived safely.

Thanks also to Marc for acquiring and delivering the fridge and to Phil and Norm for assisting with unloading of them. Some other small but vital tasks and movement of items were also carried out in the CHC building by our volunteer helpers.

It's very much appreciated.

FROM THE CEO

It is a great time of year here in Cue. The cooler weather is a welcome relief and it is always great to see the familiar faces of returning visitors that are here for our tourist season. Welcome to all travellers, visitors and old friends. I hope you enjoy your time here and everything Cue has to offer.

The Shire has experienced a rain event in late March and early April that saw some flooding across, and damage to Shire roads. A number of Shire roads are waiting on repairs to damage caused by this. Road users are asked to take care when travelling, particularly at flood crossings. Please drive to the road conditions and observe any traffic directions. Road Condition Reports are available on the Shire of Cue's website cue.wa.gov.au and also our Facebook page. On the positive side, the rain will hopefully bring some benefits to pastoralists and increase the potential for an impressive wildflower display for our visitors.

The ANZAC Day memorial service held at Arthur Stanley Gurney Memorial Park was well attended with over a hundred people up early for the dawn service. This was followed by about half of the attendees joining us for breakfast at the Queen of the Murchison.

The Cuerosity Shoppe is in the process of relocating back to the Murchison Traders building at 59 Austin St. The Senior Citizens group is doing a great job of cleaning the premises and getting it ready to re-open. The Shire has entered into a lease agreement with the owners of the building to house the Cuerosity Shoppe and utilise part of the space for the purpose of a community gymnasium. It will be great to see this part of the main Street re-activated for the community.

Mosquito fogging will be carried out intermittently, when conditions are suitable. This is usually just before dusk but can also include early morning, to control their numbers.

We would like to get a social game of lawn bowls up and running at the Shire Hall. If you are interested in joining us, call Tracy at the Shire Admin on 9963 8600 for more details.

FREE COMMUNITY WI-FI

ACCESSIBLE AT OR AROUND THE CUE SHIRE HALL

Instructions on how to access the FREE
Community Wi-Fi are on the following page.

Community Wi-Fi powered by nbn™ Sky Muster™

Connect to the internet here through the Community Wi-Fi service*

How to connect

Through the Community Wi-Fi service, you and your community can connect to the Internet via Wi-Fi using any smartphone, tablet, laptop or computer.

This service will be accessible inside and outside, within approximately 100 metres of the location of the Community Wi-Fi service.

To connect:

1. Open the Wi-Fi setting in your device
2. Select the network named "Community Wi-Fi" (No password is required)
3. When the "Welcome page" appears, read and accept the internet service provider's Terms and Conditions, click "Get Online" and then "Continue"
4. You should now be connected to the internet

Need technical support?

Please call the Community Wi-Fi Support Team on 1300 626 267.

* Service supplied by an internet service provider

Important things to know

Performance of Community Wi-Fi

This Community Wi-Fi is designed to allow you and your community to access the internet*. The performance and range of the Community Wi-Fi may be impacted by several factors including:

- Total loss of power
- Distance from the installed Wi-Fi equipment
- Environmental factors such as heavy rain, heavy dust or something else blocking the installed satellite and Wi-Fi equipment

Usage

This service may support access to video streaming, however, if multiple users try to use video streaming services, such as Netflix at the same time, the quality of your experience may lessen. The service may be subject to data usage restrictions and other limitations. Your use of this service will be subject to Terms and Conditions (T&Cs) from the phone and internet service provider supplying the service to your community. The available capacity of this Community Wi-Fi service may be shared with other users, please consider others when using this service.

nbn cannot guarantee the security of the Wi-Fi service, and is not responsible for the acts of any third parties that access or attempt to access your device and or files while using the internet.

Installed equipment

The following equipment is owned or leased by nbn and has been installed to provide the Community Wi-Fi:

- An nbn™ Sky Muster™ satellite terminal
- Wi-Fi equipment
- There may be a back-up power supply.

The installed equipment will require reliable 240V AC power which must be supplied by the community. If a back-up power is supplied, it will only allow the installed equipment to operate for up to approximately 8 hours without main power.

Service provider

This Community Wi-Fi Service is provided over the nbn™ network by a phone and internet provider.

Acknowledgement of Country

We would like to acknowledge the Traditional Custodians of the land and pay our respects to the Elders both past, present and future for they hold the memories, the traditions, the culture and hopes of Indigenous Australia.

CUE SCHOOL

RESILIENCE : RESPECT : RESPONSIBILITY

A short memo this month due to school holidays.

Last term we said goodbye to Ms Jennie Frost who taught in our Early Childhood room and did an amazing job with students progressing very well. We have been lucky enough to replace her with Miss Shena Ganesh who will be staying with us for at least this year - we hope she likes it so much she stays. Miss Shena visited for the last week of term and made some great connections with the students in a short time.

On the last day of Term, Cue School held our ANZAC service that was run by the students from Room 2. Many family and community members attended with some commenting on having tears in their eyes during the service. Room 2 certainly did us proud.

After the service all were invited to a hot breakfast before presentations for excellence at school were made.

Recipients were:

	Room 1	Room 2	High School
Respect	Zaiden	Rihanna	Tiffany
Resilience	Isla	Marlyn	Ronnie
Responsibility	Georgia	Jayziah	Chelsea

Attendance:

100%

> 93% above state average

William, Myrtle & Marlyn

Isla, Zaiden, James, Jayziah, Barry & Ronnie

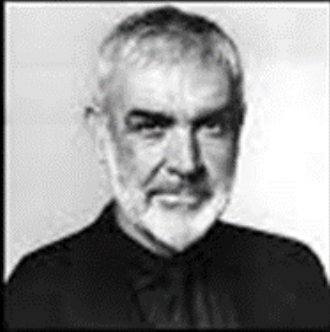

John & John from Westgold then gave all children in attendance a bag of Easter eggs. Unfortunately, we didn't get to the kids in time and all the chocolate was consumed in seconds. Children were made to run a lot that afternoon to wear the sugar off!

Thanks to all for attending, Mr Ian and Ms Pat for cooking breakfast and Westgold for the yummy chocolate.

RESILIENCE : RESPECT : RESPONSIBILITY

My first big break came when I was five years old. It's taken me more than seventy years to realise that. You see, at five I first learnt to read. It's that simple and it's that profound.
